Sougo has been going out with Furuse, a transfer student with curiously cat like eyes, for a month. Little by little, the two of them grow closer, but their relationship still remains difficult.

This collection contains, "FOOL FOR YOU," which tells the story of how these two met, and "I NEED THE SUN," which depicts their school life, and the lives of their friends, later on. There's also a short story specifically drawn for this book.

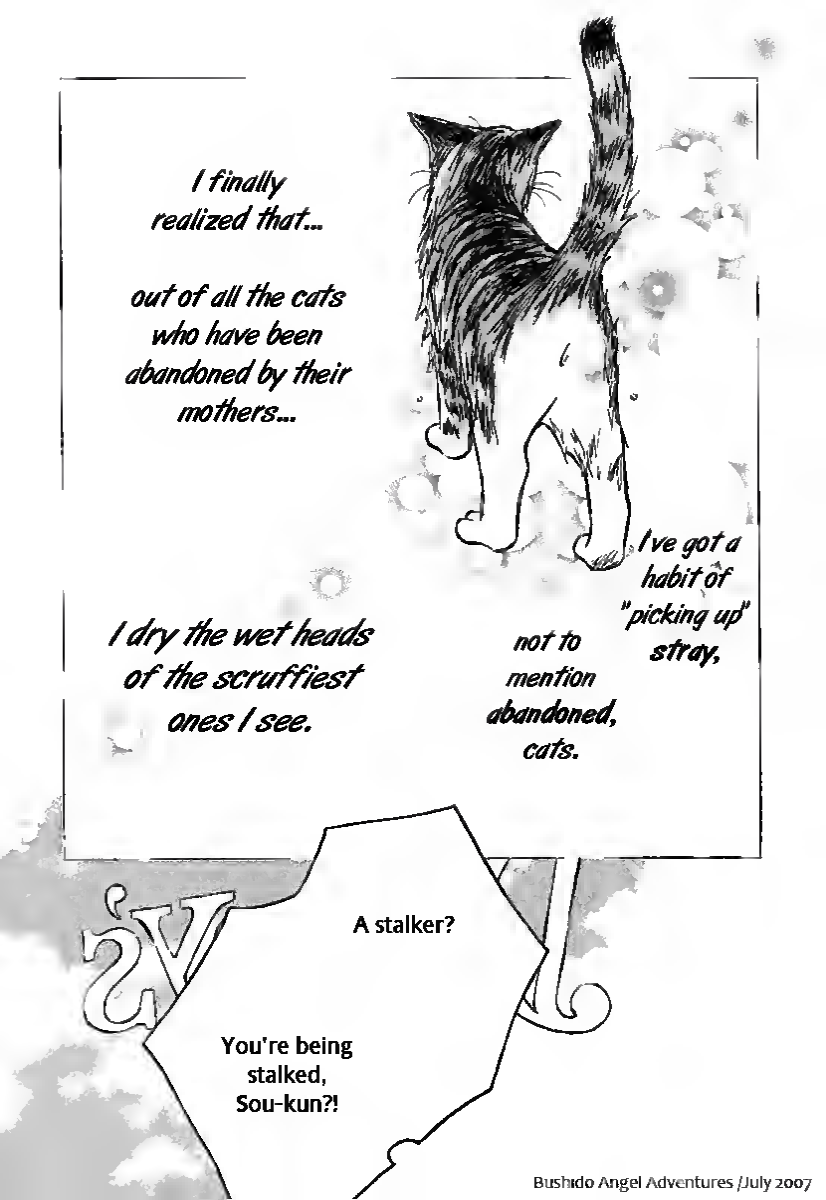
Bushido Angel Adventures/July 2007



I finally realized that...
out of all the cats who have been abandoned by their mothers...
I've got a habit of "picking up" stray,
not to mention abandoned, cats.
I dry the wet heads of the scruffiest ones I see.
A stalker?
You're being stalked, Sou-kun?!

No way!
What the hell?! That's so funny!
Yeah, for about a week now...
I didn't know there was a guy with those kinda guts living around here!
Cool! I'm surprised!
HA HA HA HA
...
COUGH
Sorry.
I got carried away.

?
BLUSH

Yeah...
I wonder if he's more like a "fan" than a "stalker?"
He's really following us.
How funny!
Furuse is making that face...
Hmm
I suppose ...

I don't know whether it's a "I'm in bad mood" face, or a "I'm sleeping in class" face?
I've always had that kind of impression of him.
Hya Hya Hya
Huh?
...
Could it be, Sou-kun...?
Of course not!
BLUNT
You don't know who your stalker is?
You haven't heard about Akihisa Furuse ?

He arrived exactly one week ago.
And he's been assigned to class 3.
Well! He's a transfer student from Tokyo.
Well, at this point, it may go without saying, but...
he's a pretty strange guy.
I mean, he's either antisocial, or he doesn't care what people think.
HA HA HA HA HA!
STARE

Thanks for having me over.
Wow...! Did you get more?!
Go "meow" at my mom.
But the first stray cat you picked up is my favorite, Sou-kun.
I spoke to his mom.
He actually seems different now.
What the hell did you do to him, Sou-kun?

You're lucky your life was saved, Taro.
meow
You hear that?!
If I'd known things would wind up like this...
I never would have taken him in!

He's got some kinda weird rule.
He hasn't come near my house even once.
The stalker is gone.

HA HA HA HA!
I mean, if he did that, I'd beat him up.
Well, you think he'd do something like steal your name plate?
NO.
Hmmm
...
Hey, Sou-kun ...
really getting on your nerves?
is this by any chance...

BANG

weighing on my mind.
It's on the tip of my tongue...
but I can't quite remember.
That...
There's something...

gets on my nerves.
Those eyes...
Give me a reason.
Why are you following me around?
What do you wanna do?
What do you want me to do?
This feeling...

The memories won't come....
Don't you understand?
...
This is ridiculous.
...

So you just snapped and punched him?
I didn't snap and I didn't punch him.
Well, then, why has Furuse -kun been absent for the past three days?
How would I know?

If pushing doesn't work, try pulling.
I've given it a lot of thought, and taken no action... I wonder if Furuse has given up now...
So, then... "what"
has Furuse given up?
"What..."
can't Sou-kun remember?

...
You're not allowed upstairs!
HOLD
STOP MEOWING!
Jeez it can't be helped.
Meow.
MOM...!
MOM...!

?
Did she go shopping?
Meow!
...
What's the matter?
No, no!
You can't go outside.
Why do you want to go outside when it's raining?
What a strange cat! Jeez!
Meow.
Meow!
...

QUIT MEOWING!
AND STOP FOLLOWING ME!
meow!
STOP FOLLOWING ME!

CLICK CLICK
CLI-CHA
Please come in.
I'm so sorry...
making you wait outside in the rain...
It's so cold.
Oh?
Sougo...
I didn't know you were home.
You didn't hear the doorbell upstairs?
MEOW!

MEOW
MEOW
MEOW
MEOW
Would you like a bit of tea with sugar?
I'm so glad you're here.
Sou never brings friends home, other than Takashi-chan.
Maybe you can stay for dinner, too♡
I'll put your clothes in the dryer...
And maybe a hot bath?

...
Once my mom starts talking, you'll never get her to stop.
Were you planning to wait out there until I came out?
...pro-bably.
Yeah... probably.

that I've followed you all the way home.
I have an answer to your question.
This is the first time...
...Let's go to my room.
I get it.

Just now...
when you were in the living room, mingling with all the cats my mom and I've picked up...
click
The reason that you're following me...
and the thing I couldn't remember...

...
I've...
I finally figured both these things out.
been thinking for four days, too.
You asked for a reason...
and I couldn't answer.

All along...
So you finally figured it out...
and you came all the way over here?
I couldn't wait.
I've been thinking...
I hadn't seen you in four days.
yet I knew I wouldn't run into you until school starts on Monday.
I'd finally found the words...

I said, "Don't follow me..."
And I quit pestering me, too...
You can keep following me, but I can't take you home because I've got a dog!
Meouu...
So stop meowing!
Damn... Listen, you dumb cat!
I was impatient...

?
That's... what you are.
MEOW!
A dumb cat...
A dumb ...
cat.

Why are you following me with those eyes?
You don't know if I'm a good person or a bad person.
Do you want me to take you home?
You don't know anything about me.

Why...
are you like this?
Stupid...
Naive...

You really are useless...
So...
you're saying he was drawn to you, and you just took him in. You never learn, Sou- kun.
Most likely, I'm an idiot!
HA HA HA HA
